Thank you for your interest in joining Lighthouse Homeschoolers. Unfortunately, our membership is closed for this year. It will reopen on August 1, 2007. We are sorry for this inconvenience but it is necessary to limit the amount of paperwork for our board members throughout the school year. It also helps us to maintain an appropriate level of service and personal support to meet the needs of our current members. We appreciate your interest in our support group and we realize that you have a need for support in your homeschooling endeavors. To this end, we would like to offer two other groups in our area as possible options for you to contact.
